Calgary Winter Lacrosse is a volunteer operated organization committed to providing a positive lacrosse experience. We rely on our members to complete all of the positions, tasks and jobs required to keep the organization functioning. These tasks are numerous and often it is a small core group that shoulders the majority of the workload. As the program continues to grow and in order to ensure that the workload of operating the club is shared by all members, the Executive has implemented a volunteer fee for the upcoming season. Each family will be required to commit to a minimum amount of volunteer time. We ask that each player's family commit to Coaching, 2 bingos or fundraiser per session. Alternatively, an additional payment of \$200.00 will be required at registration time. It is our hope that we do not receive any payments in lieu of the volunteer commitment!!

Please indicate area of interest.
